

The Nourish Melbourne Membership

Melbourne's Ultimate Health and Wellness Membership - Food, Body & Mind, Beauty, Home

We're proud to launch the Nourish Melbourne Membership for a few reasons.

The Membership program **supports the most amazing and well respected local, health and wellness businesses** (who don't pay to be a part of Nourish Melbourne - they instead are passing on all of the following offers to you), **lets you know where the best in the business are so you don't have to look for recommendations** (from naturopaths, massage therapists, personal trainers and more), and **gives back to our four partner not-for-profit organisation's** - Seconbite, The Sustainable Table, Bluearth and ADAVIC (Anxiety Disorders Association of Victoria).

For a **launch price of \$157/year** to the first 100 Members (full price is \$197/year), you receive VIP offers (all the time - not just once or twice), from over 90 health and wellness businesses, and 20% off attending Nourish Melbourne events, as well as VIP prices to attend a range of other partner events. \$20 of each Membership purchase supports the four NFP organisation's above. No cards, no paper - it happens all right from your smartphone.

The best part is, our list of partner businesses is still growing.

What's available to you right now can be seen over the following pages. If you have any businesses you want to recommend to us or have any queries, comments, suggestions or otherwise, please email us at nourishme@nourishmelbourne.com.au.

We hope to see you on the other side, as one of Melbourne's ultimate health and wellness Membership holders.
